Face to Face Encounter Verification

I had a face to face encounter with _____,
patient on this date _____. (All patients needing Medicare reimbursed home health care services are required to have a documented face to face encounter with an eligible health care provider within the 90 day period before or 30 days after the initiation of needed home health care services.)

The following services are medically necessary home health care services:
____Skilled Nursing
____Physical Therapy
____Speech Therapy
____Occupational Therapy

Certification of Homebound Status:
My clinical findings from this encounter support the patient is homebound due to:

____Leaving home requires a considerable and taxing effort

____Absences from home are infrequent, of short duration or to receive healthcare treatment

____Medically restricted due to immunosuppression, infectious illness, risk of infection or injury, or _____.
