ABOUT US

Brockton Home Health Care Agency known as Brockton HHA is a privately-operated home health care agency that is Accredited by The Joint Commission and Certified by the Centers for Medicare and Medicaid. Brockton Home Health Care was founded in 2016 by motivated healthcare professionals committed to delivering the highest standard of healthcare to all clients and assisting them in reaching their highest potential goals.

Our mission is to provide each client and family with a sense of comfort, knowing they are being cared for by professionals who are sincerely invested in the overall wellbeing of others.

Brockton Home Health Care maintains a multicultural and multilingual staff. This diversity is simply a manifestation of our belief and practice of being an equal-opportunity provider, serving clients without limitation to race, color, ethnicity, creed, gender, or national origin.

Our staff is always ready to assist your patients or potential patients anytime they need us. Our Office staff and Clinicians have had the years of involvement to serve our members/patients with the right blend of compassion and dedication. Services generally begin 24 hours after an assessment is completed. If you need more information about Brockton HHA or our services, please reach us at (508) 219-0101 or visit us at www.brocktonhha.com

#BROCKTONHHA

ADULT FOSTER CARE (AFC)

Funded by Mass Health (Medicaid), Adult Foster Care allows a family member or friend to provide 24-hour care for qualified members in their own homes. Caregivers receive a tax-free payment for their services, to help with the burden of care.

GROUP ADULT FOSTER CARE (GAFC)

The Group Adult Foster Care (GAFC) program provides assistance to elderly, low-income Massachusetts residents living in a group home. Benefits include personal care services, homemaker services and medication management and administration.

TRANSPORTATION SERVICES

Taxi (include Minivan and Sedan)
Wheelchair (ramp, Bariatric and lift)
Stretcher (minivan and Ambulance)
Stair wheelchair climber

HHA TRAINING PROGRAM & CPR CERTIFICATION

Brockton HHA provides its own HHA training and CPR certification. Home health aide (HHA) training teaches people how to care for patients in their homes and living facilities. Training programs include classroom instruction, hands-on training, and supervised clinical experience.

Program completion requires 75hrs of training. Certification is provided at the end of the course for both the HHA and CPR.
